

Organization Size Requirement Expectation

- Chapters shall follow all membership size requirements outlined by the [Student Organization Registration | Student Involvement and Leadership Center \(ku.edu\)](#). A minimum of three members is required to register an organization with the Student Involvement and Leadership Center: President, Vice-President, and Treasurer.
- Failure to meet this will result in loss of recognition as a student organization and may result in chapters being listed as temporarily inactive with The Office of Sorority & Fraternity Life (SFL) and may have provided services, advisement and support paused until recognition is granted.
